Update #17: COVID-19 Information

July 10, 2020

As of today, Mayflower has had two positive case of COVID-19, an employee who has now finished 14 days of home quarantine and a resident of the Health Center.

As announced on Tuesday, we received a lab-confirmed positive COVID-19 test for one resident. The resident has remained asymptomatic. A follow-up COVID-19 test was negative. We continue to follow protocol by isolating that resident while providing assigned staff to provide cares during the 10 days following the initial positive COVID-19 test.

Furthermore, we tested other residents living in our Health Center in proximity to the referenced resident as well as a number of staff members. All those tests have come back negative.

Observing maximum precautions, we have delayed our transition from Phase I to Phase II in the Health Center and Beebe, which will now happen on July 16th. At that time, we will reopen The Parlor hair salon; begin small group, socially-distanced activities; and expand visitation in the Health Center Courtyard or a Beebe apartment. Visit restrictions will include pre-scheduling, maximum of two visitors, 15-minutes, staff supervision, social distancing, face masks, and hand hygiene. To schedule, contact Julie Roderick (641-236-6151 x210 or jroderick@mayflowerhomes.com).

For independent living residents, we have now opened a second Parlor hair salon on the first floor of the Buckley building. For appointments, call Lynette Harris (641-485-7727). Here are some other independent living resident changes:

- The Buckley building 2nd floor common area remodeling project is now complete.
- The covers have now come off the libraries with books to be returned to a designated area, not refiled on the shelves.
- The large DVD collection previously housed in the Buckley 2nd floor lounge will be returned to that site and will be available, again without refiling upon return.
- Because of the success of the Shrimp Boil last Thursday, Scott Gruhn is planning another home-delivery special meal later in the month. Watch for details.
